Newsletter No.10

8th February 2024

Dear Parents and Carers,

PC Gregory Steer Visit

The children really benefited from meeting with PC Steer. He shared with them how to stay safe online, which was a great additional message to further enhance our PSHE curriculum (and supported our work this week with Safer Internet Day). The children asked thoughtful questions and the feedback from them was very positive. As a school we feel it is so important to provide these additional enrichment opportunities and are very grateful to the police service for supporting us in this.

Children's Mental Health Week

The children have been exploring how to use their voice to express emotions, feelings and thoughts. This has been an empowering exercise and so helpful to the children, as we do recognise that they find it hard at times to speak up.

Class One trip to Chase End Hill

We had a great time up at Chase End! The children worked hard in their learning to spot physical and human geography features. We had lots of exercise and were very observant of all that we saw around us in nature. We also played a great game of 'trackers', where the children had to follow clues to find Mrs Hankins and her fellow 'hidlers'.

Forest School

Class 1 and 2 will be having Forest School next half term on a Friday afternoon, so will need to come in Forest school clothing on these days. Please ensure children are dressed for the weather. It does get very cold up in Forest School! Class 3 will have their last Forest School this Friday (9th February). They will not be doing Forest School next term.

Gloucestershire Healthy Living and Learning Award

We are pleased to let you know that we continue to hold an award for healthy living and learning, focusing on mental and physical health of the children.

PE Days

Class 1: Wednesday

Class 2: Wednesday The children will be taught PE this day by Ydson from Sportily.

Class 3: Mondays and Fridays

Clubs

Choir, rugby and science will be staying the same for the next half term. Cookery is going to open the opportunity up to Y1, 2 and 3 children, so this is the last week of cookery for Y4, 5, 6. If you have a child in Y1-3 who would like to do cookery, please fill in the attached form. There is a maximum of 10 children for this club and places will be on a first come basis.

Please be aware that as we have such a short term clubs will only run for 4 weeks.
