Newsletter No 9

Dear Parents and Carers,

We have been busy over the last few weeks with a curriculum full of learning! Children have been giving it their all and are producing some great work.

Children in Class Three are really enjoying their flute lessons through Make Music Gloucestershire. We are beginning to get a little tuneful and look forward to seeing this develop over the coming weeks.

A group of children attended the Primary Quest Maths Challenge day at Redmarley Village Hall, which was packed full of problem solving and puzzles to get their maths minds working. The children represented their school really well, showing great collaboration and excellent behaviour.

Safer Internet Day

Next Tuesday 6th February is Safer Internet Day and as part of our curriculum focus of helping children to stay safe online, we will be planning in some activities to further enhance their understanding of this. The Safer Internet Day website has some excellent advice to support parents at home to help in this, so please do visit: <https://saferinternet.org.uk/guide-and-resource/parents-and-carers> to feel up to date.

Primary Quest Parent Meeting

Thank you to all those parents who attended this meeting. Your support and questions were very helpful and insightful. It meant so much to us as a staff team to have your attendance and to hear your voice. We are excited about joining the Trust and feel confident that we can retain all the parts of being Bromesberrow St. Mary's that we love, but also gain so much from connecting with others. We will work hard to keep you updated on developments and remind you that if you have any questions regarding this to please get in touch.

Friends Valentine Disco

If you haven't already filled in and returned your disco form, here is a little reminder. A wonderful Friends team are working hard in the background to get this organised. It promises to be a time for children to dance, have fun and just 'be with their friends'

Term Dates

We break up next Friday (9th February) at 3.30pm (5pm for those going to the Valentines Disco) for half term holidays and we will be welcoming everyone back to school on Monday 19th February. This first half term is always a term full of germs, so hopefully we will all come back germ free ready to see some warmer days!

For those of you who are looking further ahead to book holidays later this year, we have attached both 23-24 timetable and the Sept 2024-August 2025 with the inset days marked when children will also not be in school.
