29.6.18 Issue 31

Dear Parents,

Well, what a scorcher!!

We have been enjoying this fabulous weather, playing and learning outside and in some cases getting rather wet!! The time is just racing by this term and there is so much going on, but it is fantastic to be in an environment that is so alive, happy and productive.

Year 3/4 went off to Tewkesbury Cricket Festival on Thursday and played some excellent cricket demonstrating their catching, throwing and batting skills. Mrs Aston and Miss Blewitt also commented on their outstandingly good behaviour. On the same day, Year 6 went to Bell-Boating Regatta accompanied by Miss Mison and Mrs Thompson. They had a great time coming 7th overall out of 20 schools so really well done to them. Again exemplary behaviour from all! The photos from these trips as well as Celebration Assembly photos from this morning are all up on the school website (www.bromesberrowschool.co.uk).

Just a reminder that we have our Achievement Assembly next Friday July 6th.

Please could all children have PE kit in school every day as we are taking advantage of the good weather and being outdoors as much as we can. I spoke to the children this morning and we are going to hold a whole school World Cup Football Tournament next Friday morning, so they are looking forward to that.

We still have some places in our Pre-school for September so if you know of anyone who is looking please send them in our direction.

As you are aware Emma Aston is leaving us at the end of term to move to Norfolk with her family. If you would like to contribute to a leaving gift for her, please give any contributions to the office. If you write down who it is from we will get back to you to sign her card.
