17th May 2019

Dear Parents,

Well what a busy week this one has been. We are immensely proud of our Year 6 children who have been ploughing their way through Sats this week. They have all done their best and their attitude was fantastic, all persevering and being positive throughout. Our Year 2 children have also been doing Sats and have shown great resilience and stamina as some of the papers can be quite long for a child of only seven!

Yesterday our children represented us brilliantly at the Small Schools Swimming Gala at Newent Community School. We achieved some 1st places and lots of 2nd places and hopefully several of the children will be going through to the finals

This week we have had a lot of illness in school. This has mainly been throat infections and tonsillitis; however, we have had one confirmed case of Scarlet Fever which you should be made aware of. This presents itself as flu like symptoms such as high temperature, swollen neck glands and a few days later a rash can appear that looks like sunburn. If you feel your child is showing these symptoms please go to your GP where your child will be given a course of antibiotics which treats it quite quickly.

I am attaching a flyer from the National Online Safety group who are highlighting the dangers of children watch inappropriate films and TV. Please have a look at this as we often have to talk to children about films that they are talking about which are highly inappropriate for their age group.
