22.6.18 Issue 30

Dear Parents,

What a fantastic week we have had here in school, lots of super work being done and of course our delightful Sports Day. It was lovely to see so many of you there, sharing the talents of our amazing children. We then enjoyed a hugely successful cake sale, so an enormous thank you to all of you who donated cakes for that; it was such a happy, enjoyable afternoon.

Look out for letters as some children in Class 2 will have a Cricket Festival letter and Year 6 will have a Bell-Boating Regatta letter.

Next Friday, June 29th would have been Achievement Assembly but we have had to postpone that until the following week, Friday July 6th, sorry for any inconvenience caused.

We have become aware of the number of computer games that the children are playing which contain violence and offensive language. I am attaching a couple of links that you might find interesting to read. We are particularly concerned that some of our youngest children are playing games that involve killing people. One game that has come to our notice is Fortnite. "Although this game isn't rated for swearing its online nature could expose the children to offensive language from random strangers via the voice or on screen data. It is also a game where sound is crucial so the children have to wear headphones so parents cannot hear. Research is showing that it is fiercely competitive and young children can find that Fortnite makes them cross or angry when they lose.

The forecast is looking magnificent for next week, therefore if possible please 'coat' your child in sunscreen before school. Failing that please bring sunscreen in a labelled bottle (spray is the best).

Attendance for the Week

Class 1 - 94 %

Class 2 – 92%

Class 3 - 86%

Unfortunately, the attendance is down this week, mainly due to unauthorised absences.
