NOVEMBER 2024

Dear Parents and Carers,

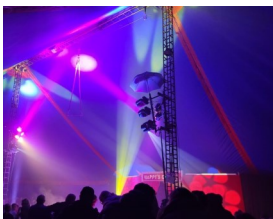

At the start of this week, we held our first Primary QuEST Year 4 residential for the year at Viney Hill. The pupils had a wonderful time getting to know other children from the trust and enjoying activities such as tunnelling, climbing, abseiling, low ropes and archery. My thanks to the whole staff team who supported the pupils whilst they had such a memorable experience.

Welcome to new schools

It has been fantastic to officially welcome three new schools into Primary QuEST - Bromesberrow St Mary's, Hope Brook and Tibberton joined on the 1st September 2024. We are delighted Gretton Primary School will become the 10th PQ school in the New Year.

Fantastic PTA Events

Since the start of the new academic year, our PTA teams have been working hard to provide some exciting events for our family of schools. So far we have held a jumble sale, hosted a circus and held a number of great fireworks events. These have been enjoyed not only by the parents and children of our schools, but also by the wider community. My thanks to all the volunteers for their hard work.

Our vision

A warm welcome to those schools and families who have recently joined us. The Primary QuEST vision is:

Flourishing Together Through LIFE

Working collaboratively is so important to ensure all involved with Primary QuEST flourish. As parents and carers, thank you for partnering with us to support your children.

Beth Hodgson is our trust pastoral lead and she will be leading one online parent and carer workshop each term. Our first workshop is on Tuesday 26th November at 8pm. The focus of this session will be:

‘Supporting children with big emotions’

This will be a valuable session so please put the date in your diary.

PQ Football Festival

Seven teams took part in the Year 5/6 football festival held at Newent School yesterday.

My thanks to those who helped on the night to referee the games. At the end of the festival, Ann Cam were the overall winners - well done!

Redmarley 4th Classroom

It has been fantastic to see the class 1 pupils enjoying their new classroom at Redmarley. The building was delivered on budget and on time, with the official opening taking place in a week's time. A big thank you to the Redmarley staff for preparing the classroom and to all involved in the project.

Thank You to the Primary QuEST Staff

It is my privilege to be working with a fantastic team across Primary QuEST. On our INSET day before half term, we all joined together for our 'working scientifically' training (photos below). It has been super to see the new staff settle in so well.

Finally, thank you to our local advisors and trustees for all their work supporting our schools.

Kind regards, Stephen Dean, CEO, Primary QuEST
