Dear Parents,

Our Year 2 children have been invited to Hartpury Primary Academy next Thursday 23rd May to take part in a Primary Quest Art afternoon. Artist Darrell Wakelam will be working with the children using recycled materials to create artwork inspired by the value of Friendship.

The children will be travelling by school minibus with Miss Davies, returning to school by the end of the day. They will have lunch prior to leaving school. Children will need to wear school uniform as usual. We do not ask for any charge to cover the cost of this day.
