**Newsletter: Thursday 22nd April 2021**

Dear Parents and Carers,

### **WELCOME BACK!**

Lovely to see you all, children have come back happy and settled to learning. They are enjoying the sunshine and loving the school field at lunchtimes.

### **Reminders on Covid 19 guidance**

1. If you or your child have Covid symptoms – get tested, do not send your child to school until a negative result is produced on a PCR test not a lateral flow test.
2. We continue to encourage the uptake of the lateral flow tests among families. This monitors asymptomatic symptoms and helps keeps us all safe and school open.

### **Bromesberrow get growing!**

Please see attached letter regarding information of an exciting new gardening club.

Thank you to our volunteer working party, Jenn Deering-Brander and Ed Brander, Helen and Guy Tustin, Julia Bracewell and David Hutton, Laura and Josh Hankins and Mel Orgee who worked hard over the Easter holidays and have done an amazing job.

### **Bromesberrow Community Shop**

We are pleased to say that we will be linking with the shop and they are going to help us in support of 'Bromesberrow get growing'. They will assist us by selling our produce, sponsoring seeds and volunteering for gardening club.
