The Primary QuEST Multi-Academy Trust, acting in its role as admission authority of the schools listed above, is currently determining proposed admission arrangements for admissions to the school in September 2028. As determined by the School Admissions Code, the Trust is required to consult on these arrangements, and invites comments on the proposed changes.

A copy of the proposed admissions policy is available on the Primary QuEST website for your information.

Alternatively, if you require a hard copy of the policy, please email enquiries@primaryquest.co.uk with Admissions Policy Request as the email title.

The Trust Board is proposing to implement a single admissions policy across the Trust which will require amendments to the schools' current admissions arrangements.

Current admissions arrangements across the Trust
Each Primary QuEST school currently has its own admissions arrangements, decided upon by the school's local advisory board, however, the statutory responsibility for admissions arrangements rests with the Trust Board. As a Trust we have always encouraged schools to follow the Gloucestershire County Council (GCC) admissions arrangements as we recognise these reflect statutory guidance set out within the School Admissions Code.

Review process
Feedback was sought from the local advisory boards and the trustees of Primary QuEST. The executive team of Head teachers contributed to the decision-making process.

Proposed changes to this policy being consulted on:

1. Gotherington Primary School to be included in the Trust Admission Policy.

If you wish to comment on the proposed admissions arrangements, please send your response in writing for the attention of Stephen Dean, CEO, Primary QuEST either by post to; Primary QuEST Admission Consultation, Highnam C of E Primary Academy, Wetherleigh Drive, Highnam, GL2 8LW or by email to enquiries@primaryquest.co.uk – please add 'Admissions consultation comment' to the email subject header. Comments should be received by no later than 9am on Wednesday 9th December 2026.

Kind regards,

Stephen Dean
CEO, Primary QuEST
