Newsletter No. 14

Dear Parents,

It is lovely to welcome some sunshine after the bank holiday. Please ensure that as the weather gets warmer, that children come into school with hats and wearing sunscreen when required. This is a very short newsletter but we are about to enter a really busy half term, we have updated the dates below to keep up to speed.

School Opening Hours

Just a reminder that the teaching staff are busy preparing lessons and having meetings before the gate opens at 8.45am so they are unable to be responsible for children before 8.45am.

Y6 SATS Week

Next week is Y6 SATS week, where the children in year 6 undertake some assessments based on reading and maths. We work hard to keep this as 'low key' as possible, with the children enjoying a pre SATS breakfast. We are very proud of the children- their attitude to learning has been great this term and we hope that they feel as relaxed as they can do for next week.

It is important to remember that SATS only measure a small proportion of what the children can do and the people they are. We continue to celebrate their kindness, sportsmanship and humour.

Ledbury Library Reading Sessions

Parents and carers in the Ledbury area are invited to pop in, share a book and a chat.

An opportunity to find out more about reading with our child and strengthening the skills they are learning in school.
